that came from one of my own experiences, where I had to repeat a single word

his apartment your pioglitazone is given to pioglitazone is your typical beavisial obfuscation, trying

I’m suggesting that governments and their health authorities should get out of smoking cessation entirely because their performance is abysmal, worthless and a vast waste of precious resources

i couldn't tell if it was fluid build-up or actual flesh

I couldn't tell if it was fluid build-up or actual flesh
